Successfully carried out first conformity test for Eskisehir plant

Dear Mrs Jamouille,

We are pleased informing you about the successfully carried out first conformity test for your Eskisehir plant (line 393).

From March 23rd 2018 on products of mineralwool produced on line 393 are allowed to be labelled with our RAL-GZ 388. As the sampled mineral wool for first conformity test have been produced on March 1st 2018, your next conformity test has to be in second halfyear of 2018, but not before July 1st (4-month rule).

Kind regards

Dipl.-Ing. Isolde A. Elkan
Secretary General
